## INGROUND POOL CLEANER

### BETTER TRACKING FOR FASTER, MORE RELIABLE CLEANING

When you want your pool cleaned quickly and completely, count on the Kreepy Krauly Legend cleaner. A host of design features combine to keep the Legend cleaner on the move, thoroughly cleaning most pools in just 1 to 3 hours.

- Debris channel and large intake throat handle leaves, twigs and other large debris with ease.
- Front-wheel drive generates maximum traction on inclined surfaces for total coverage of pool bottom and walls.
- 4-wheel design and wide base prevent tipping (common with 3-wheel cleaners) for uninterrupted performance.
- Independent booster pump helps provide optimum cleaning power and unimpeded surface skimming.
- 60% larger debris bag captures more dirt; wider bag opening makes emptying a cinch and new snap-lock bag provides easier, more secure closure.
- Disposable cleaner bags are also available—no need to empty or touch debris again.
